APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued for the surplus or flood water from this source. The permit is issued with the express provision that it is subject to prior existing rights.

As the lands named in this application are identical with the lands named in application No. 3019, the proportion of water to be finally proven up on from each creek will be left open until time of making proof of application of water to beneficial use.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Three & $\frac{11}{100}$ cubic feet per second, or 933 acre feet per annum.

Actual construction work shall begin on or before May 21, 1915.

Proof of commencement of work shall be filed before June 21, 1915.

Work must be prosecuted with reasonable diligence and be completed on or before May 21, 1917.

Application of water to beneficial use shall be made on or before October 21, 1921. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 21, 1921.

Map filed APR 21 1915

Proof of labor filed JUN 14 1915

WITNESS MY HAND AND SEAL this 21st. day of October, 1914.

Proof of construction of work filed JUN - 5 1917

Cancelled Oct 22 1913 because of failure of applicant to comply with provisions of permit
